

SAFEGUARDING POLICY STATEMENT FOR BETHEL BAPTIST CHURCH, PONTYPRIDD

Our vision

The vision statement of Bethel Baptist Church is:

‘We are called to love God with all our heart, soul and mind, and to love others.

We are committed to learning from Christ, doing justice, loving mercy and walking humbly with God.

We are a community in the Holy Spirit, a witness, going out with the love of God.’

In fulfilling this vision, we:

- Welcome children and adults at risk into the life of our community
- Run activities for children and adults at risk
- Make our premises available to organisations working with children and adults at risk

Our safeguarding responsibilities

The church recognises its responsibilities in safeguarding all children, young people and adults at risk, regardless of gender, ethnicity or ability.

As members of this church we commit ourselves to the nurturing, protection and safekeeping of all associated with the church and will pray for them regularly. In pursuit of this, we commit ourselves to this policy and to the development of sound procedures to ensure we implement our policy well.

- **Prevention and reporting of abuse**

It is the duty of each church member to help prevent the abuse of children and adults at risk, and the duty of each church member to respond to concerns about the well-being of children and adults at risk. Any abuse disclosed, discovered or suspected will be reported in accordance with our procedures. The church will fully co-operate with any statutory investigation into any suspected abuse linked with the church.

- **Safer recruitment, support and supervision of workers**

The church will exercise proper care in the selection and appointment of those working with children and adults at risk, whether paid or voluntary. All workers will be provided with appropriate training, support and supervision to promote the safekeeping of children and adults at risk.

- **Respecting children and adults at risk**

The church will adopt a code of behaviour for all who are appointed to work with children and adults at risk so that all children and adults are shown the respect that is due to them.

- **Safer working practices**

The church is committed to providing an environment that is as safe as possible for children and adults at risk and will adopt ways of working with them that promote their safety and well-being.

- **A safer community**

The church is committed to the prevention of bullying. The church will seek to ensure that the behaviour of any individuals who may pose a risk to children, young people and adults at risk in the community of the church is managed appropriately.

Where employed, our church minister is also an important part of the Church Safeguarding Team. Where possible, the Church Safeguarding Team will work together if and when issues arise. However, each person has a responsibility to report allegations of abuse as soon as they are raised.

Further definitions of these roles can be found in the BUGB publications 'Safe to Grow' (2011) & 'Safe to Belong' (2015).

Putting our policy into practice

- A copy of the safeguarding policy statement will be displayed permanently on the church noticeboard and church office and is available on our church website.
- Each worker with children and/or adults at risk will be given a full copy of the safeguarding policy and procedures and will be asked to sign to confirm that they will follow them.
- A full copy of the policy and procedures will be made available on request to any member of, or other person associated with the church.
- The policy and procedures will be monitored and reviewed annually, and any necessary revisions adopted into the policy and implemented through our procedures.
- The policy statement will be read annually at the church AGM, together with a report on the outcome of the annual safeguarding review.

As a church, we are committed to caring for those who have experienced abuse and refer to the Baptist Union of Great Britain **Supporting Those who have Experienced Abuse** guide to ensure that we adhere to a model of best practice.

We recognise it is important that those who have experienced abuse:

- Are accepted for who they are, without being made to forgive or being put into a position of feeling guilty and responsible for what happened to them.
- Know that God loves them unconditionally, and that nothing can or will change this truth.
- Can be confident that those in the church community who know about the abuse are with them on their journey – no matter how long or difficult that journey may be.

It may be necessary to signpost individuals to specialist support. The DPS has a list of relevant local information and contacts, ready for anyone who may need it.
